II. Open Issues

A. Treasurer's Report

- The board discussed the spring tailgate. Turnout has been low the past few years. Weather and date play a huge role in whether people turn out to the event or not. It could bring out more of our membership and offer a less stressful environment. It would also give our members more options for showing up and participating. We should consider finding members that have an interest in it. The board would like to continue paying for a meal for Marching Mizzou.
- The majority consensus of the board is to wait and see how much money is raised during the 2019 year for the School of Music pledge, instead paying out the remainder of the 2019 pledge goal now.
- Mizzou Giving Day is March 13th-14th. Kelsey Kelly will head the effort for Giving Day again this year.
